

“Additional conditions and information - Evolution 1”

to Sanitary protocol regarding the FIS competitions

1 / WARNING:

Rules will change very soon in France (around January 21st) with new vaccination pass protocol.

France has voted new vaccination pass, replacing sanitary pass.

Each person appearing on a nation entry document will have to:

- Produce a Covid-19 negative PCR test result
- 48 hours maximum before January 27th for WCS
- 48 hours maximum before February 1st for WC.
- Vars will offer possibility to get tested on site as following:
 - January 26th for WCS, from 8.00 am to 11.00 am.
 - January 31st for WC , from 8.00 am to 11.00 am.
 - Price will be around 60 euros for 1 test, to be confirmed, under discussion.
 - We will send final information as soon as possible.
- Produce a vaccination pass
 - Full vaccination.
 - CE homologated vaccine only. (to be confirmed).
 - Covid-19 Antigenic or PCR positive test result (done lest 6 months maximum).

2/ We are waiting for new FFS and government protocols.

We will send as soon as possible, conditions could change soon to access to lift.
